Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Saturday 15 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells and heavy showers developing on Sunday.

This Evening and Tonight:
Rather cloudy through the evening and overnight with some showery outbreaks of rain around but many places remaining dry, best chance of some clearer spells across more northern parts. Light winds. Minimum temperature 6 deg C (43 deg F).

Sunday:
A rather cloudy start but soon becoming brighter with sunny spells and scattered showers developing. The showers becoming heavy and perhaps thundery during in the afternoon. Maximum temperature 15 deg C (59 deg F).

Outlook for Monday to Wednesday:
Bright with sunny spells and a few showers Monday, especially in east. Cloudier Tuesday with showers or longer spells of rain then brighter again Wednesday with a few showers.
